Housing/Utilities Assistance

Housing Protections

Procedures for evicting tenants in Connecticut's housing court have been suspended until at least April 1. This means that people facing evictions may get some relief. If a person has an eviction pending, they can call the housing session where their home is located or Statewide Legal Services for more information at 800-453-3320.

Utilities and Fuel Delivery

CT banned all utility shut offs during the crisis. Families facing shutoff or whose utilities were shutoff should call the Public Utility Authority (PURA) at 1-800-382-4586.

Energy Assistance/Fuel Oil

The ban on utility shut offs does **not** apply to fuel oil. Operation Fuel is taking applications for help and can be reached out 860-243-2346 or at <http://www.info@operationfuel.org>
