At 6:15 p.m., Chairman Mr. Dennis Gragnolati indicated that the Board had not heard from a Board Member from the other party if they plan to attend. According to the interpretation he was told, both parties must have representation at the meeting.

A motion was made by Ms. Christianson and seconded by Mr. Tria to adjourn the meeting; however, a vote could not take place as it was not an official meeting.

Chairman Mr. Gragnolati adjourned the meeting at 6:15 p.m. and indicated it would be rescheduled.

Respectfully submitted,

Denise M. Piotrowicz
