# FY25 Budget Presentation

NORTH STREET SCHOOL Giovanna Testani, Principal

#### **VISION & MISSION**

By the end of second grade, all students will achieve grade level foundational skills.

We exist to provide opportunities for our students that will enable them to have the confidence and skills to become change agents in the community.

## **Accomplishments Toward our Vision**

- 74% of students reading on or above grade level
- 67% of students on or above grade level in math

## **NSS Budget Priorities**

- Align curriculum and assessment to State guidelines, legislation, and standards
- Support staff in implementing Tier 1 instruction so all students can make progress aligned to grade level foundational skills
- Adapt to new state guidelines (ie., play based learning & kindergarten entrance age) and provide early intervention in collaboration with all stakeholders

## **INSTRUCTION - Details**

| Literacy       | Right to Read Act has led to shifts in instruction and the need to align curriculum and universal screening tools to state guidelines. (Grant Funded)  |
|----------------|--|
| Math           | Currently in our second year of implementation of <b>iReady Classroom</b> .  Consumables and personalized computer based instruction and assessment are purchased yearly to continue to implement program with fidelity. (moved from grant funded to operating budget) |
| Science        | <b>Mystery Science</b> is utilized at both North Street and South School to create vertical alignment. The budget provides both the technology and hands on learning experiences for our students.   |
| Social Studies | Staff have worked to align current curriculum to the <b>CT Social Studies Framework</b> . Through Alliance funding in the 22-23 school year, we purchased grade level texts to support the standards.  |

## **INSTRUCTION - Details**

| Social Emotional Learning | Both <b>RULER</b> and <b>Choose Love</b> are integrated into our social studies curriculum, Mindful Monday strategies and morning meetings  |
|---------------------------|---|
| PreK                      | Grant funding provides for staffing and instructional supplies and coaching is provided to support curriculum development aligned to the CTDOTS (Documentation & Observation for Teaching Systems)  |
| Instructional Supplies    | Grade level feedback and requests are taken to plan for the upcoming year. An additional mid year check in with staff to see what is needed as they plan for the second half of the year. Focus: Hands-on and play based learning opportunities |

## **NON-CERTIFIED STAFF - Details**

| Lunch Aides                    | Provide <b>additional supervision</b> during breakfast and lunch. This has allowed breakfast to take place in the cafeteria, creating a smooth transition to morning meeting.  |  |
|--------------------------------|--|--|
| General<br>Education<br>Tutors | New to the budget, this will <b>replace the previous TIR (Teacher in Residence) position</b> . This will create <b>additional support</b> for teachers to provide differentiated instruction during tier 1 instruction. A shift of funds from the .5 math interventionist position will support these positions and create a savings to also help fund the additional building substitute. |  |
| Building<br>Substitutes        | An additional building substitute will provide coverage for staff absences and align to schools in the district as we shift from the TIR role to tutors.   |  |
